KONFERENZEN & VORTRÄGE

KONFERENZEN

- 2015 5th International Workshop on Model Reduction in Reacting Flows, SPREEWALD, DEUTSCHLAND
- 2013 4th International Workshop on Model Reduction in Reacting Flows, SAN FRANCISCO, USA
- 2012 2nd International Workshop on Model Reduction for Parametrized Systems, GÜNZBURG, DEUTSCHLAND
- 2011 13th International Conference on Numerical Combustion, KORFU, GRIECHENLAND

AUSGEWÄHLTE VORTRÄGE

- 2015 „Invariante Mannigfaltigkeiten und Modellreduktion dynamischer Systeme in der chemischen Reaktionskinetik“
Tagung des GAMM-Fachausschusses „Dynamik und Regelungstheorie“, HAMBURG, DEUTSCHLAND
- 2013 „A Boundary Value View on the Reverse Trajectory-Based Optimization Approach for Kinetic Model Reduction“
4th International Workshop on Model Reduction in Reacting Flows, SAN FRANCISCO, USA
- 2012 „Model Reduction in Chemical Kinetics via Slow Manifold Computation“
2nd International Workshop on Model Reduction for Parametrized Systems, GÜNZBURG, DEUTSCHLAND
- 2010 „Model Reduction in Chemical Kinetics: A Variational Approach“
HGS MathComp Compact Course „Multi-Scale Modeling and Simulation of Complex Chemical Reaction Networks!, HEIDELBERG, DEUTSCHLAND
